

**We Have Been Told by
Many Amigo Owners
That Our Products Have
Changed Their Lives!**

HD

Amigo is Proud of the Unique Features Developed to Fully Enable the Lives of Our Owners Through Safety, Mobility and Functionality.

FEATURES & BENEFITS

Solid Steel Platform and Frame

Stay Strong For The Long Run!

- Long-lasting durability gives a feeling of security and piece of mind.
- With a lifetime warranty, you KNOW you made the right choice!
- 450 lb weight capacity.

Extended Platform

Increased Legroom Eliminates the Kinks!

- Taller-framed individuals 6'0" and over enjoy extra stretch room.
- 4" longer platform and 2" longer handle combine for that "extra" benefit to you.
- Extend your legs and give them the uninterrupted circulation they need.

Maintenance-Free Drive System

No Handyman Required

- Completely self-contained, leak-free, no muss-no fuss!
- High temp lubrication stays fully fluid giving protection from any over-heating.
- Heavy-duty drive.

Unique Oval Handle

Steering With Comfort & Confidence!

- Easy-grip steering w/slip resistant covering.
- Enjoy the safety of fingertip controls.
- Perfect for those who experience numbness, arthritis or limited hand usage.

2" Taller Infinitely Adjustable Handle (Full 25")

Control The Comfort of Your Reach

- Select the best position for you.
- 2" longer handle combined with 4" longer platform combines for that "extra" benefit to you.
- Fully-lowered handle assists in compact Amigo storage or easy transport into a vehicle.

Infinitely Adjustable Seat Lock

Lock It and Forget About It

- Easily lock your seat in the position of your selection.
- Feel extra safe with the seat secured in place.
- Seat lock with extended handle option eliminates stretching too far to one side.

360 Degrees Seat Rotation

A Higher Degree of Activity (360 Degrees To Be Exact) Is Yours!

- Allows a closer approach to items of your choice.
- Position yourself in the exact setting you wish to be.

Unique Amigo Features

Who Else But Amigo?

- Onboard diagnostics gives a heads-up on service issues.
- Automatic Brake Release (TouchTron Handle) - Press it twice and you're able to move the Amigo manually.
